To Doug Smith: Clerk, Langley Hill Friends Meeting

Please accept the enclosed as a recognition of our own sadness on Tom Fox's death. We feel in unity with your own sense of loss and grief. Our illuminated signboard reads for passersby to see: Tom Fox: We have lost a friend of peace.

WINSTON-SALEM FRIENDS MEETING

3151 Reynolda Road
WINSTON-SALEM, NORTH CAROLINA 27106

Because Winston-Salem Friends hosted some members of Baltimore Yearly Meeting last fall and came to care for them deeply, we feel particularly close to you and affected by the pain you are experiencing on Tom Fox's death. We are sending this note to you with our sympathy, support and sense of shared pain. We also enclose a promise of our continued work to end violence and make peace in our various ways until peace becomes a reality in our world. We hold Tom's family and all of you who were his F/friends, in the Light.
