Dear Friends,

I am writing on behalf of all the Members and Attenders at Redland Preparative Meeting, Bristol, UK, to send our deep sympathies to you all on the death of your Friend Tom Fox. We are a big Meeting in Bristol, with our heart firmly planted in Peace Testimony. We too mourn the loss of Tom's life and indeed all those lives lost in this terrible conflict. We wish to uphold your Meeting and all those touched by Tom's death. We ask that you pass on our thoughts and prayers to Tom's immediate family and to your Meeting as a whole. We are inspired by those willing to uphold our testimonies and continue to hold all those who have lost loved ones in the light.

We send you all our warm greetings at this difficult time.

With Love and Peace

Rachel Ayres (Clerk to Redland Preparative Meeting)
