Dear Doug Smith,

At our monthly meeting of March, 19, 2006 the gathered meeting asked me to extend to Langley Hill Monthly Meeting our condolences for the loss of Tom Fox. Our prayers have been with Tom and his team since their abduction was announced. Those prayers have also extended to his captors as he would have wanted it.

Tom Fox gave his life in the cause of justice, peacemaking and love. He truly let his life speak and we are grateful to the Master who lit his path.

Yours in faith,
