Dear Friends,

We, the members of the Urbana-Champaign Friends Meeting, deeply mourn the death of Tom Fox. We know this is a great loss for you. This letter is to convey our admiration for the witness of the Team members and our concern for their welfare.

Our Meeting sent a letter to Al-Jazirah to ask for the immediate release of the members of the Christian Peacemaking Team. We were very concerned about their captivity and our thoughts and prayers were and are with them.

We want to extend our condolences to you and we wish you strength to overcome this tragedy. Tom's words from Iraq are an inspiration to all of us.

With our deepest sympathy,
