Dear Friends and family of Tom Fox,

Hawai'i is far from Virginia and farther still from Iraq, yet news of Tom Fox's death touched us deeply. He was very much in our hearts and our messages at our Meeting for Worship on March 12. An attender at our Meeting knew Tom and shared his remembrances. Previously, visitors have given us news of his witness with the Christian Peacemaker Teams.

While most of us did not have the privilege to meet Tom Fox, we grieve at the loss of someone who so clearly lived in the Spirit. His life reminds us of these words by James Naylor in 1660:

*There is a spirit I feel that delights to do no evil, nor revenge any wrong, but delights to endure all things, in hope to enjoy its own in the end.*

The sorrow must be heavy for those who knew and loved Tom. We hold you in the light, as well as those many who have suffered, and continue to suffer, in Iraq, for whom Tom so courageously brought his message for peace and justice.

Sincerely,

John P. Whalen, Clerk of Meeting
