Dear Friends of Langley Hill Friends Meeting
and family of Tom Fox:

We are grieved and saddened by the death of Tom Fox, and send our prayers in sympathy for your loss. We celebrate his life and the courage of his work in Iraq. We are grateful for the continuing value of his contributions in the lives of the people he served.

We are inspired and our world is transformed by the commitment of Tom and all those who put themselves at risk to obey their Inner Light. We reaffirm the principle of holding all lives sacred, knowing this to be the way of peace.

In Peace,

Pat Hardy /clerk
