<p>From Linda Dangelo: I am sending this as a reminder to ask Friends to secure and read the book, <i>The New Jim Crow</i> by Michelle Alexander. We will be discussing the first 3 chapters this year as part of our discussions in May and August. Then focus on this topic during the Fall Retreat in Oct. 11 – 13 in Tiffin. We hope to pay particular attention to Chapter 1 in May and the other 2 (2, 3) chapters in August. As you read the first 3 chapters what struck you as important? (Again, we would like to focus on the first chapter in May) – so bring your thoughts as to what was important from the sections we're covering from the book. ...</p>						6	LEYM Rep Mtg in Ann Arbor
